

# SUPREME BRAND HAMACHI (YELLOWTAIL)

*Certified Supreme Quality*

Yellowtail, or hamachi, is a fatty, delicate fish raised specifically for sushi and sashimi in Japan. A relative of tuna, hamachi is known as an “affluent” fish; they are raised in a relaxed, pampered environment promoting a fatty and delicate texture. The benefit of farming is a higher fat content and improved quality of meat. You will find our hamachi yellowtail flavorful, buttery, and fresh.

Hamachi kama or yellowtail collar is considered by most to be the best part of the fish. The meat is sweet, tender, full of rich flavor and especially juicy. Hamachi kama is also good for you, since you can cook it with no added fat whatsoever -- it tastes best simply grilled, with at most a sprinkling of salt, soy and citrus. Supreme Brand hamachi comes mostly from Kagoshima & other parts of Japan.
